

MISSING CHILD POLICY EARLY YEARS FOUNDATION STAGE

INTRODUCTION

The welfare of all of our girls at Northwood College for Girls is our paramount responsibility. Every adult who works at the school has been trained to appreciate that he or she has a key responsibility for helping to keep all of the girls safe at all times. Our staffing ratios are inline with the expectations as set out in the Statutory framework for the early Foundation stage 4 September 2023 and are deliberately designed to ensure that every child is supervised the whole time that she is in our care.

PURPOSE

In the very unlikely event that a girl is found to be missing from school, the purpose of this document is to set out how the school will, as quickly as possible, locate the missing child, return them to safe custody, inform the relevant parties of the situation and invoke a review of the incident.

INFORMATION FOR PARENTS

Our "Information for Parents of Junior School and Early Years Children" and Junior School handbook outlines the relevant school arrangements and procedures:

- The arrangements for the beginning and end of the school day
- Registration times and procedure if late
- If a parent would like to collect their daughter earlier from school, then they must sign in at Wray Lodge
- If someone other than the authorised person comes to collect a girl from school, the form teacher or school secretary will always contact the parents via phone for authorisation
- Lesson timings
- The role of our staff and the arrangements for supervising the children whilst they are in school
- The arrangements for registering the girls for morning, afternoon and after school care facility. If a girl is not collected by parents or carers by 3.40pm then she is escorted by staff to the after school; Super Clubs where they are signed in if there is space.
- Girls in Bluebelle House are walked by their parent/carer to the classroom door where they are met by Bluebelle House staff
- During the school day girls are supervised around the school site either with the teacher and/or TA

Review date due: Sept 2024

- School gates are sWe provide a sibling club for younger siblings who have an older Junior school sibling who finishes later than them to support our Junior parents with pick up arrangements. In EYFS, Nursery finish at 3:00 and Reception finish at 3:30 . This provides care with Junior staff whilst they await collection with an older sibling who may finish at a later time. e.g KS1 finish at 3:30 and KS2 at 4:00. A register is taken at the start of the club.ecured after morning drop-off.

Girls

- All forms discuss class rules and these are displayed in class.
- Girls are made aware of rules for the playground and girls are counted back into the building after lunch, when afternoon registration takes place.
- Girls are supervised when moving around both Bluebelle House and the school site.

REGISTRATION

All Junior pupils are registered in the morning (8:35, register closes at 8:50) and in the afternoon once pupils return from playtime and this is using SIMS. In addition to this teachers monitor and check the numbers of pupils within their care throughout the day.

ACTIONS TO BE FOLLOWED BY STAFF IF A CHILD GOES MISSING FROM THE SCHOOL

Our procedures are designed to ensure that a missing child is found and returned to effective supervision as soon as possible. If a child was found to be missing, we would carry out the following actions:

- Take a register in order to ensure that all the other children were present.
- Inform the Junior Head/Head.
- Ask all of the adults and children calmly if they can tell us when they last remember seeing the child.
- Occupy all of the other children in their classroom(s)
- At the same time, arrange for one or more adults to search everywhere within the Bluebelle House, both inside and out, carefully checking all spaces, cupboards, washrooms and spaces where a small child might hide.
- Check the doors and gates for signs of entry/exit.
- If the child is still missing, staff should follow the Missing Pupil Procedures.

MISSING PUPIL PROCEDURE

During the school day – upon discovering that a child is missing from their form or any other supervised activity during the school day; the following procedures should be activated:

- The Head of Junior School should be informed and an incident form opened (see Appendix A) and the time recorded.

Review date due: Sept 2024

- Classmates and friends should be asked of the child's whereabouts and any relevant information noted. Also, where and when the child was last seen.
- A check made with the appropriate Form Teacher and/or register.
- A check with the school office for any further information which may have arisen as the result of a recent phone call to explain the absence.

A thorough search of the school premises will be organised and coordinated by the Head of Junior School, who will inform the relevant Form Teachers of the child's disappearance.

A base will be made in the Junior School Office from which the search will be coordinated, and will include the assistance of the grounds and maintenance staff via the two way radios. The Head of Junior School will decide on search areas for appropriate staff. This search should be concluded within half an hour of the initial report of absence. The designated Child Protection Officer (JFE/ HCR) will extract personal files on the child, and a recent photograph, if available, they will then contact parents, the police and the Local Children Safeguarding Board to inform them of the situation. Trust Office should also be informed. Once the police arrive, formal responsibility for the search will pass to the police, but the Head of Junior School will ensure that the school staff make themselves appropriately available to assist further with the incident. The School would cooperate fully with any investigations. The Head of Junior School will then inform Ofsted in the case of a pupil missing from the Foundation Stage.

ACTIONS TO BE FOLLOWED BY STAFF IF A CHILD GOES MISSING ON A TRIP

Staff would refer to the GDST Educational Visits Incident and Emergency Management card provided with the mobile phone (see appendix B)

ACTIONS TO BE FOLLOWED BY STAFF ONCE THE CHILD IS FOUND

- Talk to, take care of and, if necessary, comfort the child
- The Head of the Junior School will speak to the parents to discuss events and give an account of the incident. A full investigation will take place. The investigation should involve all concerned providing written statements. The report should be detailed covering: time, place, numbers of staff and children, when the child was last seen, what appeared to have happened, [the purpose of the outing], the length of time that the child was missing and how she appeared to have gone missing. - Communicate fully and frequently within the school/base team so decisions are based on full facts.
- Bear in mind the four Cs: clarity, concern, convince you're in charge, and commitment to action.
- Be open, honest and visible. Be human.
- Acknowledge the problem and take ownership.
- Take the rough with the smooth.
- You can't control what media or others write, or how people respond; you can only control what you say and do.

- Our sympathy and concern is with everyone involved.
- You will understand that our priorities are with our girls and that we are doing everything that we can to reunite the children with their parents.
- I would like to praise the support given by the emergency services at this very difficult time.
- We are keeping all parties informed.
 - You will understand if I have no further comment to make at this time.

MISSING CHILD POLICY AND PROCEDURE

If a pupil is found to be missing on a trip
